21 Jul, 2020 10:20:58 AM - "I am teaching completely online in the fall. I like to make videos of my activities, put them on youtube then link the video to Google Classroom. If we buy these resources can I put them on youtube with me doing the activity?"

21 Jul, 2020 10:22:16 AM - Tracy. - "What was the name of the video she had the students watch??"

21 Jul, 2020 10:29:05 AM - - "My school wants music to be more of an "option" online.....so making them be on a Zoom meeting is discouraged. :(So I make things very fun with theme days so parents don't get mad."

21 Jul, 2020 10:29:27 AM - Steph P. - "Anyone teach in small schools (mine is PK-8 with about 120 students) planning to still have choir in the fall? I'm considering it because at the most I will have about 20 students in MS choir. And we can space out..."

21 Jul, 2020 10:29:40 AM - - "What will you be doing in the fall with your choir if we can not sing together?"

21 Jul, 2020 10:30:25 AM - - "Does anyone know the name of Greg's song he did in Denise's webinar? It was so so pretty."

21 Jul, 2020 10:31:09 AM - "I'm also hoping to be able to sing in music class, just asking students to sing more softly than they might otherwise."

21 Jul, 2020 10:31:34 AM - - I'm in a bigger school, but worried about the same thing. In the spring we had to mark our lessons as optional."

21 Jul, 2020 10:32:22 AM - - "Yep, music lessons and activities that I posted (the awesome ones from MusicPlay!!) were to be considered optional :("

21 Jul, 2020 10:33:54 AM - Denise - "In Alberta, teachers were only allowed to teach math and literacy"

21 Jul, 2020 10:34:16 AM - What is this woman's name?? - "What is this woman's name please"

21 Jul, 2020 10:34:26 AM - Denise - "I think it's so important for kids social and emotional health to do music!"

21 Jul, 2020 10:34:37 AM - Denise - "Ruth Dwyer is the interviewee."

21 Jul, 2020 10:34:55 AM - - "Denise ABSOLUTELY!!!! "

21 Jul, 2020 10:35:01 AM - - "I am trying to decide on a plan for my volunteer chorus for the fall."

21 Jul, 2020 10:35:33 AM - - "My province is leaning towards in-person teaching in fall...depending on circumstances, of course. We did mostly mailed packages at school because of our school population. If we end up with that situation again, I'm seriously considering making DVDs for singing and music-making "

21 Jul, 2020 10:35:58 AM - Denise - "The province of PEI did music lessons on a local TV station."

21 Jul, 2020 10:36:07 - "The song she had her kids listen to was "Ain't No Grave" with sign language. Put in YouTube search as "Aint No Grave with Sign Language" and it will pull up. Absolutely enthralling, truly! Quite powerful!"

21 Jul, 2020 10:36:10 AM - "Denise, that's fantastic!"

21 Jul, 2020 10:36:50 AM - - "This is such a great interview!"

21 Jul, 2020 10:36:54 AM - my district decided on a hybrid plan and then the governor made a proclamation that everyone needed to go back. Ugg!!"

21 Jul, 2020 10:37:40 AM - "We just found out today that we will offer in person, fully online, and hybrid. So we have to livestream and record/post all our lessons."

21 Jul, 2020 10:37:43 AM - - "Just a PSA for using ASL in music: check with your local Deaf community. Many find using ASL simultaneous to singing offensive, because it relegates ASL to a decorative, "not real" status, *unless* the signing is making the music accessible to audience or participants"

21 Jul, 2020 10:37:54 AM - "Singing on zoom has not worked for me at all as it cuts out and ends up sounding horrible... so I had to have my students mute and only heard myself sing....Anyone have a solution for that?"

21 Jul, 2020 10:38:31 AM - Denise - "I think there is no solution for Zoom - you have to mute all and just sing yourself."

21 Jul, 2020 10:38:45 AM - - " your Governor is saying people cannot choose the keep their kids at home and receive instruction??"

21 Jul, 2020 10:38:57 AM - - "Precious Story Ruth!!!! Thanks for sharing - The picture is AMAZING and the story makes it even more so!"

21 Jul, 2020 10:39:20 AM - - I teach at a school that has a DHH unit. All of our deaf kiddos have cochlear or hearing aids. We're not supposed to sign because they want those kids to rely on their devices."

21 Jul, 2020 10:39:25 AM -. - "Ruth you are AMAZING!!"

21 Jul, 2020 10:39:52 AM - "Sort of - many large districts had decided to go online totally or 2 day schedules. She declared that everyone needed to be in person more the 50%. Yes, parents can choose, but it is chaos right now."

21 Jul, 2020 10:40:08 AM - - "There are a lot of Governors that are making them go back...thank goodness I live in a state where the governor is actually listening to the experts."

21 Jul, 2020 10:41:12 AM - - yeah, that's a real issue. If you connect with the Deaf community, they'll explain why refusing sign access to Deaf kids (implants or not) is a real human rights issue. Implant or no, Deaf kids don't process sound the way hearing people do, and denying access to sign"

21 Jul, 2020 10:41:19 AM - "limits their access to language, period."
