21 Jul, 2020 11:49:32 AM - "Are these resources free on the website? "

21 Jul, 2020 11:49:50 AM - Denise - "In the rebuild (sneak peek on Friday during the panel) we'll show you a "Tools" section. This is where virtual instruments will go."

21 Jul, 2020 11:49:53 AM - "Can the games be used on the SmartBoard?"

21 Jul, 2020 11:49:56 AM - "It would be awesome to compose with the virtual instruments. They could create their own composition."

21 Jul, 2020 11:50:10 AM - Katie Grace Miller - "That's wonderful! Thanks Denise! Really excited about using the virtual instruments"

21 Jul, 2020 11:50:32 AM - "it would be cool to merge the virtual instruments in with the holiday songs and other applications, where students can touch the screen along with the song."

21 Jul, 2020 11:50:42 AM - "Could you consider making a winter version? For public schools?"

21 Jul, 2020 11:50:57 AM - "would the virtual instruments work on a very basic chromebook?"

21 Jul, 2020 11:51:04 AM - Denise - "I was at the "developer" website using them - we'll be getting them online in the rebuild. "

21 Jul, 2020 11:51:14 AM - "Denise thank you! Are the students able to actually "do" the games on the Smart Board or can the games just be projected..."

21 Jul, 2020 11:51:38 AM - Denise - " that's a good suggestion to have drums with the songs. "

21 Jul, 2020 11:52:04 AM - "Do instrument sort self check?"

21 Jul, 2020 11:52:16 AM - Denise - " there is a winter version (different melody) Play the Bells to Celebrate in Musicplay Kindergarten. But we could do another version of it to the familiar melody."

21 Jul, 2020 11:52:48 AM - "if the chrome books do not have a touch screen will the virtual instruments still work?"

21 Jul, 2020 11:52:55 AM - "A lot of my students are non-verbal or prefers not to speak so this will be awesome for me to use"

21 Jul, 2020 11:53:39 AM - Denise - " The games work on SMART Boards. At one point Google changed something in their web browser that disabled part of the game and I'm not sure what the work around is."

21 Jul, 2020 11:54:06 AM - "Love that someone else sings for an example!"

21 Jul, 2020 11:54:25 AM - Denise - "If chromebooks aren't touch, they'll work with a mouse click or a track pad click."

21 Jul, 2020 11:56:22 AM - Kathleen Theisen - "Love this! "

21 Jul, 2020 11:56:24 AM - "Are the virtual instruments on MusicPlayOnline yet? If so, where do we find them? If not, when will they be?"

21 Jul, 2020 11:56:45 AM - Denise - "Virtual instruments will be on the rebuild. Not on the site yet."

21 Jul, 2020 11:57:06 AM - "Thank you Denise!"

21 Jul, 2020 11:58:30 AM - "I noticed in Time to Play that the eighth notes are all connected. Shouldn't they be separated into groups of 2. My students get confused with tika tika sixteenths when all 4 eighths are connected. "

21 Jul, 2020 11:58:34 AM - "Denise can you include the key of C for orff or another instrument if we have the same xylophone kits that we want to use and show the kids the music?"

21 Jul, 2020 11:58:48 AM - "where to find the instruments with sounds ,as it was on your ipad?"

21 Jul, 2020 11:58:50 AM - "Is there a video of the solfege signs?"

21 Jul, 2020 11:59:18 AM - "Solefge demo if we are not permitted to sing especially"

21 Jul, 2020 11:59:49 AM - "My kids LOVED this - because they could browse at their leisure!"

21 Jul, 2020 12:00:46 PM - "Over how many classes would you teach the instruments of the orchestra?"

21 Jul, 2020 12:00:57 PM - "kodaly people: what is the primary purpose of using solfege with children in music class?"

21 Jul, 2020 12:00:58 PM - " I am not sure about a video, but there is a tone ladder on every song you can select which solfege to show the hand signs for"

21 Jul, 2020 12:01:32 PM - "ultimately it would be awesome to expand all of these great orchestral lessons/activities into cultural instruments as well. Just a suggestion for today's cultural climate."

21 Jul, 2020 12:01:39 PM - "Would be cool to have pictures of instruments in Create a Word rhythm"

21 Jul, 2020 12:02:07 PM - Denise - "Polly - great idea!"

21 Jul, 2020 12:02:08 PM - "The naming worksheets would convert to google slides well"

21 Jul, 2020 12:02:49 PM - "The frog to prince game was well loved."

21 Jul, 2020 12:03:28 PM - "You can make the PDF writable for Google Classroom, right?"

21 Jul, 2020 12:03:31 PM - "Can you access these later without a subscription?"

21 Jul, 2020 12:03:36 PM - Denise - " I agree that multi-cultural instruments need to be added. Before Covid, I traveled to Greece and the Balkans and got video of some dances and folk instruments that were used there. Was so fun - took folk dance classes in Bulgaria, Albania, Dubrovnik and Greece. "

21 Jul, 2020 12:04:15 PM - Denise - "I'm hoping to collect authentic dances, music, and the instruments. IF and when we can travel again. If not can still do it virtually, but not nearly as much fun!"

21 Jul, 2020 12:04:26 PM - You have to have a subscription to access these items on the site."

21 Jul, 2020 12:04:37 PM - "My 8 year old daughter loved playing Instrument Bingo with me this past spring!"

21 Jul, 2020 12:04:52 PM - Denise - " you can access the games right now because student login was disabled in April. But subscription will be needed next fall."

21 Jul, 2020 12:05:53 PM - "If we purchased the online year subscription with our conference registration when will we receive our login information for that? Thank you!"

21 Jul, 2020 12:06:06 PM - "awesome Denise! ALL of us (Teachers and students) would definitely learn from those dances and experiences."

21 Jul, 2020 12:06:09 PM - "Music class likely will be online only for my district next year. I there a way to assign specific worksheets, and have them completed digitally when they don't have a printer?"

21 Jul, 2020 12:06:23 PM - "Where on the website are the instrument bingo cards?"

21 Jul, 2020 12:07:04 PM - "do you have a place to find the instrument flash cards"

21 Jul, 2020 12:07:18 PM - "Fillable forms online would help for no printers is it possible? "

21 Jul, 2020 12:07:19 PM - "Our specials are on a cart til further notice"

21 Jul, 2020 12:07:25 PM - "Handwash for 4's & 5's have shapes, colors. Name it and clap it. "

21 Jul, 2020 12:07:47 PM - "Yes, the oboe and clarinet maybe confusing in Instrument Bingo. How about changing the picture to a person hoilding the instrument so the flute and bassoon don't look like they're the same size. Or in the square have a picture of the instrument AND a person holding it."

21 Jul, 2020 12:08:00 PM - "Are the scripts online?"

21 Jul, 2020 12:09:08 PM - "I agree that fillable online forms would be amazingly helpful!"

21 Jul, 2020 12:09:10 PM - "to avoid the picture confusion in bingo games I went ahead and wrote the name under the picture. A viola and violin are hard to identify for adults :)"

21 Jul, 2020 12:09:19 PM - "Not sure where this question should be asked.....I'm wanting a blank recorder (that includes the tub hole) that would allow students to "fill-in" fingerings using bingo ships. I'd use card stock and laminate - hope to include this in instrument/bag to send home. "

21 Jul, 2020 12:09:21 PM - "I used to have a template but I now have it printed on bright blue card stock that is laminated and would not photocopy well."

21 Jul, 2020 12:09:25 PM - "The photo on the Instrument Bingo for the bass was actually a cello. The bass body is not as rounded at the top. It maintained the baroque slope because it's easier to get your body around the instrument. "

21 Jul, 2020 12:10:55 PM - "Yes, the picture for the double bass is definitely a cello!"

21 Jul, 2020 12:11:03 PM - "Will there be a charge for student access this year?"

21 Jul, 2020 12:11:07 PM - "Google slides can be used to do fillable worksheets that are shared with the teacher. "

21 Jul, 2020 12:11:45 PM - "Wish those elephants would walk to the beat of the music!!!"

21 Jul, 2020 12:12:24 PM - "The live animals are wonderful for the videos! YAY"

21 Jul, 2020 12:13:10 PM - "Love it!"

21 Jul, 2020 12:14:22 PM - "Love this movement for "Elephants!"

21 Jul, 2020 12:14:46 PM - "I use our arms to give us elephant trunks"

21 Jul, 2020 12:15:24 PM - "Kids will love animal vids to music!"

21 Jul, 2020 12:16:37 PM - "what is the grade level you will use peter and the wolf or carnival of animals"

21 Jul, 2020 12:18:03 PM - "Where are the intercom scripts listed on the website?"

21 Jul, 2020 12:19:32 PM - "I did this too but purchased a t shirt that looked like a tuxedo"

21 Jul, 2020 12:20:02 PM - "Conduct with 2 hands or one only?"

21 Jul, 2020 12:20:11 PM - "What was the source for the Elephant that the principal said over the intercom?"

21 Jul, 2020 12:20:24 PM - "Wonderful session - thanks!"

21 Jul, 2020 12:20:37 PM - "Love Musicplayonline!!!!"

21 Jul, 2020 12:21:20 PM - "Where do you get that interactive ipad instrument?"

21 Jul, 2020 12:21:21 PM - "Were you using Screen Castify during the session?"

21 Jul, 2020 12:21:22 PM - KW - "great session....what happened the the activities in page 5 of the handout"

21 Jul, 2020 12:21:26 PM - "I am using Musicplay and the kids love it!!!! Thank you Denise! Your porgram is always with us in our music classroom"

21 Jul, 2020 12:21:39 PM - "Boom! Hit that out of the park!"

21 Jul, 2020 12:21:41 PM - "How do students login if they are home - do we choose a password, ??"

21 Jul, 2020 12:24:41 PM - "I think the So-Me books are also on YouTube"

21 Jul, 2020 12:26:18 PM - "I didn't have music play until this year and found the so mi books on apple books on my ipad. You purchase them individually. "

21 Jul, 2020 12:26:55 PM - "I did not put chase the music play subscription when I registered. Is it still possible to add it on at the discounted rate? I really wish I had gone ahead and purchased it. Awesome resource! "

21 Jul, 2020 12:27:00 PM - "Our kids come back 8/6 will the student login be up and running by then?"

21 Jul, 2020 12:27:40 PM - "Thank you so much again for making Musicplayonline available for us to use during the Pandemic. It was so kind, generous and amazing for you and your team to do that. AND to continue to create brand new lessons EACH WEEK. Amazing, truly. "

21 Jul, 2020 12:27:48 PM - "I use OBS"

21 Jul, 2020 12:27:55 PM - "obs?"

21 Jul, 2020 12:27:58 PM - Kathleen Theisen - "If you wear Headphones while recording, you won't get the lag. "

21 Jul, 2020 12:28:06 PM - "I've heard good things about Loom"

21 Jul, 2020 12:28:13 PM - "WeVideo is another program"

21 Jul, 2020 12:28:15 PM - "Loom is free!"

21 Jul, 2020 12:30:12 PM - "Kathleen- can you explain how wearing headphones helps with no delay in screencastify? "

21 Jul, 2020 12:31:04 PM - "There are many things that contribute to lag. The headphones may or may not solve lag problems."

21 Jul, 2020 12:31:16 PM - Kathleen Theisen - " The lag happens b/c Screencastify is recording computer sound and sound from your internal (or external) mic simultaneously. There is a delay of many milliseconds. Things are slightly out of sync. If you put on headphones, everything is 'in sync' b/c screencastify "

21 Jul, 2020 12:31:29 PM - Kathleen Theisen - "is not recording the internal sound thru the external mic "
